

CAMPS D'AUTOMNE

4-11 ans

en route pour l'aventure !

Kids-Trip camps take place during the day, from 8.00 a.m. to 5.30 p.m. (times may vary slightly depending on traffic or peak fun times).

Your children are transported by bus by our attentive and careful activity leaders, who ensure their safety and well-being at every stage.

We always adapt to the energy and needs of the group to ensure maximum enjoyment and comfort for the children.

In the event of bad weather, back-up solutions are provided: a variety of indoor activities are offered and parents will be informed the day before.

Lunch is prepared by us. You can also bring an extra snack if you wish.
