

Organization and details

Kids trip camps for teenagers are overnight camps.

Children are transported by bus by careful group leaders who pay attention to each of them.

We always take the group's feelings into account to offer children maximum well-being and fun.

In case of bad weather, there are many backup solutions and we will choose indoor activities.

Lunch, dinner and snacks are provided. Meals are prepared together.

Activities : Canyoning

Do you enjoy new sensations and want to go on an outing with friends?

Canyon sensation organizes expeditions and is committed to training guides in safety and rescue techniques.

Pioneers in outdoor activities, the expertise and professionalism of No limits Canyon allow you to enjoy great adventures in complete safety

...off we go for adventure!

Activities : Paragliding

A tandem introductory paragliding flight reserved for children and teenagers up to 15 years old – a unique experience they will remember for their whole life! The team is made up of carefully selected certified professional pilots with many years of free-flight experience.

The paragliding discovery flights for children take place in the morning when the wind is calmer.

Securely seated in a harness with the instructor, your child or teenager will discover new sensations during a flight lasting about 15 minutes. A great way to start the day!

...off we go for adventure!

Activities : Forest Archery

The largest outdoor archery course in Valais with 19 targets in the forest! Torgon Tourism invites you to become Robin Hood for a day! Starting from La Jorette, our archery course with 19 targets lets you discover a little paradise. Between beautiful forests, small clearings and stream edges, it is a wonderful way to enjoy nature and have a great moment outdoors.

...off we go for adventure!

Activities : Towed Tube Ride

Hop aboard our towed tubes and get ready for pure fun! Several sessions of 10 minutes, maximum 5 people per run.
