

The Autumn Camps

10-12 yo

Fun – Nature - Creativity

Organisation & precisions

Kids-Trip camps take place during the day from
8:30 am to **5:30** pm
(depending on road traffic or intensive fun ...)

Children are transported by bus by the activity leaders
who are very careful and attentive to each of your children.

Activities are subject to change if the need arises.

We always take into account the weather and the feeling of the group to offer children maximum well-being
and fun.

In case of bad weather, we have premises which are graciously loaned to us by the "Bilingual School of
French-speaking Switzerland"

Lunch and snacks are provided.
However, if you wish, you can always add a little snack... :)
